WHO WE ARE

The Peer Support Team (PST) is a dedicated group of law enforcement professionals committed to helping all personnel manage the stress that comes with their demanding roles and personal lives.

Our mission is to assist your agency and personnel in proactively addressing and managing stress before it can have a detrimental effect on the well-being and performance of your officers and staff.

CONFIDENTIALITY

PST members are committed to the principle of confidentiality. This program can only succeed if staff members trust the PST team. PST members will maintain strict confidentiality regarding all information shared, with the following exceptions:

- A substantial danger to self or others
- Domestic violence
- Child or elder abuse
- Where disclosure is requested by the employee
- Where disclosure is required by law

*Chaplains are exempt from the provisions outlined in WI Statue Section 905.06.

WE ARE HERE TO HELP WITH:

- Offering a listening ear
- Assisting with critical incident debriefs
- Providing additional support during critical incidents
- Addressing personnel family needs
- Assisting with death notifications
- Connecting you to available resources for personnel and families
