*Annual SHOP WITH A COP Event*

The Law Enforcement Foundation of Barron County, founded in 2009, is an independent, non-profit, charitable organization dedicated to fostering public safety through community building, education, and outreach. In concert with area police departments, the foundation works with a range of community safety advocates to develop and implement public safety and crime prevention programs.

While city budgets provide the necessary resources to fund their operations, a number of important community programs have been threatened or cut due to lack of funding. The foundation was created as a catalyst in responding to this threat, so that no innovative program would be left behind.
